# Black Tea Catalog

## CTC Black Tea — BP / BOP / OP / FBOP / Fannings

Crush–Tear–Cut black tea with bright red, strong, brisk liquor — the standard base for milk tea and tea bags worldwide.

| Grade           | Full Name           | Particle / Use                             |
|-----------------|---------------------|--------------------------------------------|
| BP              | Broken Pekoe        | Broken leaf; standard tea bags             |
| BOP             | Broken Orange Pekoe | Broken with tip; premium tea bags          |
| OP              | Orange Pekoe        | Long twisted leaf; loose pack, filter bags |
| FBOP            | Flowery BOP         | Golden tip; high-grade bags                |
| Fannings / Dust | —                   | Fine; low-cost bags, iced tea extract      |

| Parameter         | Specification        | Method         |
|-------------------|----------------------|----------------|
| Moisture          | ≤ 7.0%               | GB 5009.3      |
| Total ash         | ≤ 7.0%               | GB 5009.4      |
| Water extract     | ≥ 32–38% (CTC ≥ 36%) | GB/T 8305      |
| Tea polyphenols   | ≥ 15%                | GB/T 8313      |
| Pesticide residue | EU MRL compliant     | SGS / Intertek |

Packing & Supply: 25–30 kg PP woven bag with PE liner, or 5 kg foil bag in carton for tea-baggers.

## Gongfu Black Tea — Keemun / Dianhong / Lapsang Souchong / Jin Jun Mei

Orthodox whole-leaf black teas graded by plucking standard and golden-tip ratio: tight straight twist, even fermentation, honey / floral / smoky-pine aromas.

| Type                     | Aroma Profile                  | Typical Market |
|--------------------------|--------------------------------|----------------|
| Keemun (■■■)             | Orchid-like "Keemun fragrance" | EU, UK         |
| Dianhong (■■■)           | Honey, sweet potato note       | EU, USA        |
| Lapsang Souchong (■■■■■) | Smoky pine                     | EU specialty   |
| Jin Jun Mei (■■■■)       | All-bud, honey floral          | Premium gift   |

| Parameter     | Specification | Method     |
|---------------|---------------|------------|
| Moisture      | ≤ 7.0%        | GB 5009.3  |
| Total ash     | ≤ 7.0%        | GB 5009.4  |
| Powder        | ≤ 1.0%        | Sieve test |
| Water extract | ≥ 30–34%      | GB/T 8305  |

Packing & Supply: 5 kg foil bag in export carton (whole leaf); 25–30 kg woven bag for broken grades.

Standards: GB/T 14456 (green), GB/T 13738 (black), GB/T 22291 (white), GB/T 22255 (jasmine), GB/T 22111 (Pu-erh), GB/T 30357 (oolong); food safety limits GB 2762 / GB 2763. All values are typical; per-lot COA governs. Documents supplied: Commercial Invoice, Packing List, CO, Phytosanitary Certificate, COA, Health Certificate; optional EU Organic / USDA / Halal / FDA.
